## Path to Performance™ I & II

With Stefanie Reinhold

### DAY 1— Path to Performance I — Relaxation

How to relax your horse, release & prevent harmful tension

In this one-day seminar you explore how to recognize tension patterns in your horse and address them with bodywork and guided exercises.

### DAY 2— Path to Performance II — Creating a Supple Horse

Helpful concepts and exercises for mental & physical suppleness

In this one-day seminar—which builds on P2P I “Relaxation”—you explore the concepts of mental and physical suppleness in the horse and how to create a supple horse on the ground and in the saddle.
